SEPT/OCT 2008

Greetings to everyone! After arriving on July 15th, we have finally settled into our new home. We were waiting for it to open since July, so stayed in our school apt. Just getting internet back into service, we can now start to communicate better .

With your blessings of missions offerings we were able to do many repairs at the Deaf school our first two months. The students and staff are happy that we have returned.

Water Baptism
On Tuesday, Sept. 9th we water baptized 10 youth from our school. We praise

the Lord for their love and desire to follow the Lord.

Outreach to Tipitapa:

We had an evangelistic service at our Tipitapa center on Sunday, Sept. 14th. 14 deaf attended. During our meeting a young hearing man named Eleazer shared a testimony. As he began, tears rolled down his cheeks how God delivered him out of gang life. Eleazer is a close friend to the deaf in Tipitapa. We are trusting God that He will use Him mightily to help *them* stay on track and serve God.

Focus Training Leaders:

Pray that God will raise up our young people to be strong leaders to reach their friends for Jesus. We need your prayers as we teach them God's Word! Our ministry is changing as we are not at the school

daily. We are finding ourselves preparing teaching materials and spending time in prayer for this ministry. We are waiting upon the Lord for His direction.

Teams:

We want to say THANK YOU to Dayton CLC and Minnesota PVDA teams for blessing our school with their recent ministry!

Deaf Services

Praise God for the 25 that attended our service this month! We hold one deaf service a month since some of the deaf people attend hearing churches. We are meeting in the church building that we will begin our coffee house. We need God's direction as to His timing for this ministry.

Although we appreciate your expression of love, anything that you want to send, please email us first to see if it can be mailed through a team that is coming. We can receive letters and small bubble mailing envelopes. Please do not send boxes to our Nica address. We will have to pay a customs fee to receive it. Customs regulations have changed. Thank you for your understanding.

Proverbs 3:5,6 (The Message)

"Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; he's the one who will keep you on track."
