

"God Is Good"

(Psalm 73:1 - All the time!!)

God has been so good to us. Here is a couple of our testimonies. We realized it takes precious time and patience to wait upon the Lord to provide our needs as mentioned in Romans 8:25 and Hebrew 6:12.

1) The Lord had called us to go on a trip to Israel in April 2006 with people from Calvary Deaf Church and other deaf churches. It felt like we were walking through the Bible. As the Bible is "the Living Word" 1Peter 1:23". We felt so blessed, and we would love to go back to Israel again if we have another opportunity.

2) We have waited 3 years to get a home either out of state or within California. After the last few months in the Summer 2007, the Lord has guided us into Hemet, CA. By August 2007, we got some money that came in which would help us to make a deposit on a home. We even got some extra money to buy a truck to pull our traveling trailer. We were so thrilled that this person that God has lead us to was willing to help us financially. We moved into our new "Home Sweet Home" in September 2007. We are willing to open our home to whatever the Lord plans for us to use our new home.

God is our "Jehovah-Jireh", meaning "He will provide a way" (Genesis 22:14). "He is our salvation and our strength, without him we are nothing" (Isaiah 12:2). We want to close this with an everlasting "Thanksgiving of Praises" (Psalms 69:30 and Psalms 95:2).
